

BOUNCE

FREE-JUMPING REVOLUTION

The ultimate adrenaline sensation opens in Singapore

Singapore, 3rd June 2016 – **BOUNCE**, the adrenaline sensation that took Australia by storm has opened in Singapore. Marking its grand opening at the heart of Orchard Road, the adrenaline-packed arena is a new concept in recreation, fitness and fun. At over 24,000 sq-ft, BOUNCE is set to be the ultimate indoor urban playground in Singapore - enhancing Singapore's position as an adventure sports destination.

BOUNCE Singapore caters to everyone from kids aged three and above to youths, adults and fitness enthusiasts. Featuring three zones based on interests and levels of difficulty, the adrenaline arena consists of **trampolines**, a ninja-warrior like obstacle course – **X-Park** and a “**Leap of Faith**” station.

Let's bounce, soar and climb a wall!

With interconnected trampolines housed within huge, colourful spaces, this spring-loaded urban playground provides a wide range of activities to do with kids; where hard surfaces are replaced with circus-grade padding, giant air bags and springs. What's more, this venue is ideal as a training ground for aerial sports acrobatics, a place to kick back and look out over the action, or just a hard-core form of exercise that lets you burn energy without noticing that you are in the middle of a cardio workout. There is also a dodge ball court on trampolines that is great for parties and groups, a slam dunk area – for participants to bounce and fulfil their lifelong dreams of completing a slam dunk and a giant airbag area with trampolines for you to have a carefree time jumping around and landing on the airbags.

X-Park – unleash your inner Ninja

BOUNCE Singapore is the **first location in Asia** to feature this signature indoor adventure challenge course – **X-Park**. Designed to allow challenge and diversity for both first timers and free-running masters, this adventure challenge course combines elements of climbing, jumping & free-running before zipping on the aerial runway to the finish line.
